

The Case of Mileva Marić: Was Einstein's First Wife His Secret Collaborator?

Allen Esterson¹

¹None

March 28, 2019

Abstract

The article examines the central claims that purport to demonstrate that Mileva Marić, Einstein's first wife, collaborated with Einstein on his major scientific work during their marriage. The claims are shown to be based on erroneous information, unreliable sources, and the recycling of assertions that have no factual basis.
